

Keep the rhythm ... so the beat goes on!

FREE HEART HEALTH SCREENINGS at Memorial Advanced Cardiovascular Institute

Wednesday, Nov. 9 • 3 -7 p.m.

Memorial Advanced Cardiovascular Institute
610 N. Michigan St. • Suite 400 • South Bend

The screening is tailored to a patient's risk factors. Attendees may undergo the following tests:

- Ejection fraction (how well your heart pumps with each beat)
- Peripheral vascular screening
- Carotid artery screening
- EKG
- BMI check
- Blood pressure check

ALSO, see the new **Discovery NM 530 nuclear imaging system**, the only one of its kind in the region. This more effective and safer imaging system provides *detailed pictures* of the heart in a shorter amount of time.

PRESENTATIONS/REFRESHMENTS/GIVEAWAYS

Appointments are required for the screenings. To schedule an appointment, please call Memorial Health Discovery Center at **574-647-1801**.
