Memorial to Receive Artwork by Local Artist John Mishler

An artistic celebration of life will be donated to Memorial Hospital in loving member of Jim Zuber, by his wife Diane Zuber. This artwork will be unveiled in a special dedication ceremony taking place Sunday, May 2 at 1 p.m. in the Main Entrance of Memorial.

Jim Zuber was a member of Memorial's Second Wind, a support group for those living with COPD and other lung disease. The artwork also honors Second Wind charter members Bill Snyder, Barbara Guy and Mary Bonin.

This work of art, created by local artist John Mishler, will be permanently on display in Memorial's lobby. Three butterflies, represented in the shape of lungs, will show the breath of life and hope that exists in all of us.
