News Brief

Christy Erwin, R.N. has been named Manager of Referral Systems at Memorial Health System, which includes leadership over the Health Professionals Nurse Call Center, “What's My Risk?” health risk assessment program, and the Health Discovery Center.

Christy has most recently served as the Practice Manager for Schwartz-Wiekamp Medical Group in Mishawaka. She also served as a Health Promotion Coordinator with Elkhart General Health System.

Christy will continue to enhance Memorial’s work as the most accessible source for health information and early diagnosis in the region.
