News Brief

Memorial Children's Hospital welcomes Colleen Morrison, M.D. to its Pediatric Hematology/Oncology Program. Dr. Morrison received her medical degree from Loyola University Stritch School of Medicine in Maywood, IL and completed her residency in pediatrics at Loyola University Medical Center in Maywood, IL.

Board certified in pediatrics, she completed a fellowship in Pediatric Hematology/Oncology Stem Cell Transplantation at Children's Memorial Hospital in Chicago. She is a member of the American Society of Pediatric Hematology Oncology and the American Society of Clinical Oncology.

About Memorial Children's Hospital Pediatric Hematology/Oncology Program

Developed in 1992 in affiliation with Riley Children's Hospital, this satellite program helps reduce the many trips to Indianapolis for routine treatments for children diagnosed with cancer or blood disorders. This comprehensive team, led by Dr. Morrison, includes a pediatric nurse practitioner, nurses, social services staff and a parent advocate.
