## News Brief

Memorial Health System has named Jacqueline Simmons as Manager of HealthWorks! Kids' Museum. HealthWorks!, the education arm of Memorial Children's Hospital, inspires children to lead healthy, happy lives.

Jacqueline has over 15 years of management and leadership experience, most recently at Press Ganey Associates as Regional Service Manager. Jacqueline brings a wealth of experience to her new role including retail industry knowledge, which she acquired as Assistant Store Manager at Marshall Field & Company in Mishawaka. In addition, Jacqueline has completed a unique Disney customer service training program and is a Memorial Innovation Wow! Guru. She received her bachelor's degree in Family & Life Sciences/Marketing from Western Michigan University.

*"HealthWorks!: Infectiously contaminating kids of all ages, everywhere, to learn, have fun, and make great life choices. Let the epidemic begin!"*
